# Pure shopping fun: the Tango 90 E

With its 90-litre basket volume, the mini Tango is designed for a new generation of shoppers who like to go shopping more frequently. It offers a customer-friendly alternative for smaller shopping trips and, when used in conjunction with the new child seat/goods shelf, is ideal for families.

The Tango 90 E with child seat/goods shelf

## Design

### Basket

Polypropylene plastic basket, food-safe design, 100% recyclable. Fully EAS and RFID-compatible. Promobox Plus coin deposit system in the handle as standard.

### Chassis

One-piece chassis construction made from flat oval tubing. High-gloss, galvanised, chrome-plated surface with baked-on plastic paint protection or coloured plastic powder coating.

### Castors

4 original Wanzl swivel castors Ø 125 mm with rubber tread, front and rear deflector rings as standard. Original Wanzl travelator castors on request.

### Colours/colour combinations

Basket:

Flame red RAL 3000  
Ultramarine blue RAL 5002  
Traffic green RAL 6024  
Slate grey RAL 7015
