

Donut Display

Presenting pastries perfectly

Donut Display

Presenting pastries perfectly

- > High transparency for maximum product presentation
- > Easy access from every level
- > Optimal goods protection from automatic hygiene covers

TONGS AND DISPOSABLE GLOVES
ensure the hygienic removal of products.

Perfectly staged

Install the donut display at the gondola head as a powerful tool to encourage impulse buys. Your high margin donut assortment will be clearly visible behind the silently operated automatic hygiene covers – generating a great boost to sales. The energy-saving LED illumination showcases your appealing assortment in the right light.
